SUMMERTIME

By Pastor Solomon

Seasons help us to understand that there are changes we need to make in the way we live our lives. There are changes in what we wear, what we prefer to eat and the things we can do. There are colors associated with the seasons too. It is the way of life in the west. We all have our favorite seasons, and we look forward to it. We are at the peak of the summer season, and we already know that the season called fall is fast approaching.

In life there are seasons. Spring can refer to the season of birth and youth, Summer as the season of preparation and productivity, Fall and Winter as the season of slowing down and old age. The Lord has ordained the seasons as part of his creation. The Scripture says in Psalm 32:4, "For day and night your hand was heavy on me; my strength was sapped as in the heat of summer." And in Psalm 74:17, "It was you who set all the boundaries of the earth; you made both summer and winter."

Let us learn an instruction regarding summer from the inspired Word of God.

In Proverbs 6:6-8, we read, "Go to the ant, you sluggard; consider its ways and be wise! 7 It has no commander, no overseer or ruler, 8 yet it stores its provisions in summer and gathers its food at harvest." And in Proverbs 30:25, "Ants are creatures of little strength, yet they store up their food in the summer;" It also says that the ants are extremely wise. We are called to learn the ways and wisdom of ants. There are no leaders for the ant family and yet they are disciplined about storing in summer for the dry winter season. We humans have leaders, commanders, or overseers and yet we fail because of our fallen nature including being sluggish. It is time for us to use our time wisely during the seasons of our life and be prudent in preparing and being productive where God has placed us. Simple but powerful instruction to learn from the ants that the Lord has created. Do you know the season and what the Lord has called you to do during this time? We can know the answer to this question when we read/meditate on the Word of God and pray both individually and as a community regularly.

Dear TGC family, it is time to reflect on the season of our lives as a church community and as individuals and do what the Lord has called us to do in the season of our lives.
