PASTOR'S MESSAGE

Clarity of Vision

Blessings in the name of the Lord for a God fulfilling New Year 2021! We all have expectations for the year ahead. Probably you were in a similar situation last year. Alas, your hopes and dreams have been dashed. Maybe you feel that you have barely scraped through and you are still hanging on. You are shaken in your faith and filled with uncertainty. People promised clear 20/20 vision and you are wondering what happened. Actually, the pandemic year has removed the cobweb and granted us clear vision. Till then things were blurry. Technology, Celebrity culture and the Systems of the world infiltrated every part of our life including our spiritual lives. We have learned that none of the above can save physical lives. Our faith and resolve have been tested in 2020.

We have been granted clarity to know what is important and valuable. Are you seeing things clearly than before? Do you know why you are still here on this earth unlike the millions who have passed on?

Isaiah the great prophet had an interesting conversation with the Lord as He was being given a task during his famous vision. The task is to speak to people in a concealed way because they have been unresponsive to the Lord. It is called biblical sarcasm. The Lord's instruction in Isaiah 6:9-10, "He said, 'Go and tell this people: 'Be ever hearing, but never understanding; be ever seeing, but never perceiving.' ¹⁰Make the heart of this people calloused; make their ears dull and close their eyes. Otherwise they might see with their eyes, hear with their ears, understand with their hearts, and turn and be healed." The people are not responsive to God. The prophet asks how long this is going to last. The answer in verses 11-13 grants us hope. There will be trouble and destruction that will wake up some of the people. Most will still reject the message but a remnant will hear, see, understand and believe with their heart. It is not going to be easy in the coming days. We need not lose heart. Hearing, Seeing and Understanding God's Word with a responsive heart is the need of the hour for clear vision. Resolve to be a part of the Lord's remnant. **PS**
